<u>Culworth Road</u>	Bench on green area outside our gate is rather green and could do with a clean	PC Issue	CB to clean
<u>Culworth Road</u>	Ditto for the posts lining the path to it	PC Issue	CB to clean
<u>Culworth Road</u>	Village hall sign by main road - looking wonky and in need of painting	PC Issue	HG to be asked to re-align
<u>Arbury Banks</u>	Camper van parked on grass, (been there ages) apparently it's moved occasionally further down the road and then back again which is probably why the grass is not cut on that patch, but an electric cable leads from it into house across grass and footpath. I have been told this is also a permanent fixture. Is someone living in it ? Health and safety issue? one child has fallen over it, are we liable?	PC Issue	Is moved slightly quite regularly, but has electric cable from house to van across path. This No 9, Mrs Hawkes. NG to have a look & Highways approached if necessary LS to ask RD re mowing
<u>Arbury Banks</u>	Man allegedly running motorcycle repair from house and riding over airfield lives at no 18 Arbury Banks.	PC Issue	Nothing can be done about business & gates have been put up on airfield.
<u>Arbury Banks</u>	Stacey who lives at Coach house on main road outside village says she only notices road noise when she drives on it. Estate agent dealing with HS2 let at same house has told her they were going to get 8 weeks notice but that they will get another year as they don't need the field next door for "building compound" until next October.	PC Issue	FYI
<u>Banbury Road</u>	Ivy up the stone wall between Allen's Orchard and Banbury Road. The self seeded trees were removed which is a great improvement. The ivy is growing from the road side and needs removing or killing.	PC Issue	Some ivy appears to have been removed. RD to be asked to look at remaining ivy
<u>Banbury Road</u>	There ivy in the cherry tree and oak tree on the green fronting Allen's Orchard - needs removing.	PC Issue	RD have tree work in hand for autumn
<u>Banbury Road</u>	The red VW wreck outside no. 7 is an eyesore. Would the owners kindly remove it?	PC Issue	Nothing PC can do.
<u>Banbury Road</u>	More trees on the green fronting Allen's Orchard would shield the houses from the road and road	PC Issue	Agreed but will await bypass.

	noise so would benefit the residents.		Keep under review
<u>Banbury Road</u>	Large pieces of broken concrete next to the bus shelter (Allen's Orchard side) needs removing.	PC Issue	LS to advise Highways
<u>Banbury Road</u>	Village signs and street furniture (bollards etc.) are filthy and need cleaning.	PC Issue	Leave on agenda LS
<u>Banbury Road</u>	Others elsewhere - old Village Hall Trust poster needs removing from pole opposite church. This is an old chestnut, and there should be a firm discipline to remove after the event. Who in the Village Hall Trust is responsible for this?	PC Issue	Organisation have all been reminded several times LS -letters to organisations
<u>Banbury Road</u>	Saplings in grass outside house in Mill Lane have not yet been removed following discussion at last PC meeting. Needs action.	PC Issue	Letter was hand delivered following last meeting CB to contact residents
<u>Mill Lane</u>	- Litter & inside park	PC Issue	M Carr clears outside gates & inside is Edgcote
<u>Mill Lane</u>	Bench opposite Church needs cleaning etc	PC Issue	Deal with like school bench?
<u>Byfield Road</u>	Opposite side of road to Malthouse (no 35) private retaining wall leaning over pavement by 100mm. This is not much but this is the narrowest part of pavement on walk to school and so could quickly become a serious hazard.	PC Issue	Wall has been dealt with but overgrowth is again narrowing path. NG will speak to S Jordan
<u>Byfield Road</u>	Low (less than head height) overhanging branches of Sycamore tree in corner of school grounds by pedestrian entrance to school grounds.	PC Issue	RD have tree work in hand for autumn
<u>Appletree Road</u>	Subsidence behind grit bin getting deeper very untidy unable to mow grass	PC Issue	NCC have already said this won't be filled
<u>Appletree Road</u>	Trees on green area by 30MPH /bungalows need lower branches removing.	PC Issue	RD have tree work in hand for autumn
<u>Appletree Road</u>	Tree by seat at junction has one branch that needs removing hangs to low head height over footpath.	PC Issue	RD have tree work in hand for autumn
<u>Hogg End</u>	Salt Bins fully charged some overgrowth of ivy (I will clear)	PC Issue	DH
<u>Hogg End</u>	Telephone Box needs internal clean from cobwebs-DH I will clear	PC Issue	DH
<u>Hogg End</u>	Hanging branches on willow on green should be shortened. (damage to vehicles as they pass)	PC Issue	RD have tree work in hand for autumn

STREET DOCTOR

	Gulleys		
<u>Culworth Road</u>	Gulleys - weeds have been sprayed and died off which is good but it would be good if they could be cleared up now they are dead	895691	Under investigation with Richard Malszewicz
