

Open Invitation to Chipping Warden Primary Academy

Saturday 27th April 2-4pm

Chipping Warden Primary Academy would like to invite the local community to come to an open event... we would particularly like to extend the invitation to all pupils past and present.

School photos and memorabilia from previous years will be on display – see how it has changed (or not!) over the years.

Please come and take a tour of the school and hear about our new sports hall development plans.

We would like you to share your stories of the school and what it used to be like when you were there; bring pictures, your old school reports and share your memories with us.

We look forward to welcoming you with homemade cakes and refreshments.

Hilary Harding

Acting Head of School
