28th January 2020

To whom it may concern,

Road Closure on A361 for HS2 Works

Further to my letter of 7th January, I now write to provide you with an update on the above matter.

Positive discussions have taken place between Stagecoach and Fusion/HS2 on how best to mitigate disruption to our customers throughout the duration of these works and I now write to confirm that, generally, the service 200 will operate without disruption and delay with the exception of the dates mentioned below:

Chipping Warden North 28th February, 6th March, 4th April (TBC), 30th May (TBC)

Chipping Warden South 21st February, 25th April (TBC), 16th May (TBC), 23rd May (TBC)

A361 through Welsh Road 30th May (TBC), 6th June (TBC), 13th June (TBC)

Whilst, at this stage, I am unable to give an estimate on the extent of these delays, Stagecoach will of course endeavour to keep disruption to an absolute minimum throughout these dates and I thank you for your assistance, patience and understanding in this matter whilst these road closures are in place.

Yours Sincerely,

Martin Gibbon
