

KEEPING YOU INFORMED

Weekend works on the A361: Friday 6th March to Monday 9th March 2020

Chipping Warden Relief Road – Works to the northern tie in to the A361

Further to the previously communicated Advanced Warning Notifications and local community drop in sessions we are writing to inform you as a local resident / business of construction works this coming weekend. This is to undertake the same activities that were cancelled last weekend.

HS2 contractor Fusion, through their subcontractor Buckingham Group Construction Ltd (BGCL), will be carrying out work which requires a full road closure of the A361. The closure will be in place this weekend from **Friday night, 6th March, all through the weekend to Monday morning 9th March.** (Friday 8pm to Monday 6am). A signed diversion route will be in place during the closure. This diversion is similar to the diversion that was put in place last month. Please go to <https://hs2innorthants.commonplace.is/> for more details about the diversion route.

What we will be doing

This weekend we will be carrying out works to construct the new relief road connection onto the existing A361, to the north of Chipping Warden Primary School ahead of the opening later this year. The table overleaf shows our planned 12 - hour schedule of the works being undertaken during the closure this weekend.

Timeline	Activities on Friday 06/3/20	Activities on Saturday 07/3/20	Activities on Sunday 08/3/20
Day time (6am to 8pm)	Not applicable – The A361 highway will be open as normal until 8pm when the road will be closed.	<ul style="list-style-type: none"> Continue excavation and removal of the existing carriageway and install pipework for future utilities and highway drainage connections. 	<ul style="list-style-type: none"> Continue reconstruction of the new carriageway placing foundation stone Completion of the new drainage Commence laying of the new asphalt surface
Night time (8pm to 6am)	<ul style="list-style-type: none"> 8pm commencement and setup of traffic management. This includes the road closure signage, traffic cones and diversion routes. Following the road closure works will then commence and continue overnight. This is to excavate and remove the existing carriageway and install new pipework for future utilities and highway drainage connections. 	<ul style="list-style-type: none"> Continuation of the drainage works Commence reconstruction of the new carriageway placing foundation stone 	<ul style="list-style-type: none"> Completion of the new asphalt road surface. Removal of the Traffic Management. <p>The A361 highway will be re-opened to traffic no later than 6am Monday 9th March 2020.</p>

Some of the activities mentioned above will generate noise. We have put in place mitigation to minimise the disturbance.

Need to speak to someone on site this weekend ?

James Carden – Fusion Assistant Project Manager 07795 486375 (Fri, Sat, Sun 8am – 8pm)

Pete Daniel – Fusion Works Manager 07810 507557 (Sat, Sun 8am – 8pm)

Peter Humphreys – Fusion Site Foreman Supervisor 07717 342924 (Fri, Sat & Sun 8pm – 6am)
