

Chipping Warden south A361 road closure update

May 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites.

You can sign up for regular updates in your local area at www.hs2innorthants.co.uk

As a local resident we are writing to update you on the full road closure on the A361 this weekend, from 8pm Friday night (15 May 2020) to 6am Monday morning (18 May 2020). This is in the area of the southern tie in of the relief road near Allens Orchard and Appletree Road. We will also be working 22nd – 25th May, whereby we will notify you of the details next week.

What are we doing?

We will be carrying out further works ahead of the final connection of the A361 relief road later this year. This work will be taking place at the southern tie in of the relief road only, in the area opposite Allens Orchard and the connection to Appletree Road. HS2 contractor Fusion, through our subcontractor Buckingham Group Construction Ltd (BGCL), will be carrying out the work which requires a full weekend road closure of the A361. This diversion route is similar to the diversion that was put in place for the previous closure at the end of April. Please go to www.hs2innorthants.co.uk for more details about the diversion route.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

The closure works will begin Friday 15 May and will continue until the morning of Monday 18 May 2020

What to expect

The full weekend closure of the A361 with traffic management on the road

Increased journey times following the signposted diversion route

Local movement of our equipment and staff while the works are taking place

Some noise from our equipment and lighting around our worksite

The table below shows our planned 12 hour schedule of the works being undertaken during the closure this weekend.

Timeline	Activities Friday 15 May 2020	Activities Saturday 16 May 2020	Activities Sunday 17 May 2020
Day time (6am to 8pm)	Not applicable - the A361 highway will be open as normal until 8pm when the road will be closed.	Construction of road formation with continued surfacing works to the tie in with the main A361 connection. Kerbing installation to the village side of the south tie in.	Continue the works that we started on Saturday with surfacing.
Night time (8pm to 6am)	8pm commencement and setup of traffic management. This includes the road closure signage, traffic cones, diversion routes and the completion of any remaining temporary weekend noise protection Our main works will commence during the Saturday Dayshift	No planned works	Removal of the A361 diversion route The A361 highway will be re-opened to traffic no later than 6am Monday 18 May 2020

Some of the activities mentioned above will generate noise. We have put in place mitigation to minimise the disturbance.

How will this affect me?

There will be some noise from our construction activities. We have sequenced our works as much as possible to ensure that the noisier activities will take place during the day. We will also use localised noise barriers to reduce noise disturbance from our equipment.

The A361 will have a full closure, you may need to plan your journey and allow more time. The diversion route will be clearly sign posted. However, residents may know alternative routes for local journeys.
