

Notice of traffic management, A361, Chipping Warden

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

As part of our construction programme to build the Chipping Warden Green Tunnel we will also be building a temporary bridge across the A361, Byfield Road. This bridge will connect our site access and haul roads to our compound, helping reduce our impact on the local road network.

In order to build the east embankment for the bridge, we will be installing a temporary crossing point on the A361. This crossing point will allow our construction teams to safely move materials as well as machinery from our compound to the other side of the A361. The crossing area will be removed once our temporary bridge is completed this autumn. The traffic lights will be manually operated, allowing us to respond immediately to any increased congestion.

Now that we are in our main phase of construction, the traffic movements at our Chipping Warden Compound have increased. For the safety for all road users, we will be installing temporary traffic lights, operating day-time only, on the A361 at the entrance to our Compound.

When we complete the installation of the precast segments in the central area of the Chipping Warden Green Tunnel, we will backfill the earth in this area. This will allow us to modify the entry and exit arrangements for the compound and we anticipate the traffic lights will then be removed.

When will these works take place?

The A361 will have temporary traffic management in the form of traffic lights at the entrance to the Chipping Warden Compound from Monday 8 August 2022.

The A361 will also have a temporary crossing point installed from Monday 8 August 2022.

These dates may be subject to change due to circumstances outside of our control, such as weather.

Duration of works

Works will commence from Monday 8 August 2022.

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Temporary traffic lights at the entrance to the Chipping Warden Compound.

Temporary crossing point on the A361 to move materials into position to build our temporary bridge for our site access and haul road.

What we will do

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
