	b)	Liaison meeting; - crossing A361 between Hogg End & northbound bus stop is unsafe. This will probably be WNC; could there also be red hatch markings to denote start of 30 mph limit. Nothing has been heard of the community speed camera. No further information for this meeting.	NG
	d)	Accommodation blocks in compound – HS2 will have 2 x 160 modular units in place by March 2023, with toilet blocks and canteen.

	g)	New pontoon bridge over A361 – not aesthetical as it could have been with better planning i.e. colour of wood, external metal work – but nothing will change now. PC to consider possible future use of benefit to the village.	ALL
	h)	Other concerns to raised: - Lighting on site is excessive Signs & litter within village Thistles and ragwort infestation Allens Orchard fencing to be discussed with WNC.	NG ND NG
